Founded in 1987 in Zahle, Bekaa – Lebanon, Technical & Technology SARL is a leading provider of office equipment, IT infrastructure, and business technology solutions. Formerly operating as Technical Kayal Trading, the company has evolved into a trusted partner for businesses seeking reliable and efficient office systems. Under the leadership of Mr. Walid Kayal, Technical & Technology SARL has built a strong reputation for delivering high-quality products, professional services, and long-term customer support. With more than three decades of industry experience, the company specializes in the supply, installation, and maintenance of a wide range of office technologies including copiers, printers, point-of-sale systems, computer equipment, and office supplies. As a distributor of Xerox, Technical & Technology SARL provides advanced printing and document management solutions supported by certified technical expertise and reliable after-sales service. Today, the company proudly serves corporate clients, educational institutions, healthcare facilities, and government organizations across Lebanon.
